Welcome to Wethersfield

Mayor Michael Rell's Message

It is a true honor serving as mayor of this great town. Wethersfield's Town Council, Board of Education and boards and commissions are comprised of volunteers serving countless hours on the town's behalf. I am grateful so many people are willing to volunteer their time and talents.

Wethersfield is fortunate to be in the midst of a rejuvenated economic growth period. This year we will see the completion of the Borden, a multi-use development with retail and office space along with one and two bedroom apartments on the Silas Deane Highway. Additionally, I am looking forward to work beginning on the new medical buildings proposed at the former Puritan Furniture Distribution Center. These are just two examples of new development happening in town.

These projects cannot get off the ground without the confidence of developers who have a vision, and who understand all that Wethersfield has to offer.

During my tenure on the Town Council, the town government and the Board of Education have sought cost saving measures that will consolidate services. With these in place and the prospect of additional areas to consolidate, I look forward to working with town staff on new avenues to find savings.

Most municipalities are facing shortfalls in state dollars coming back to their cities and towns. I am hopeful Wethersfield will break this trend and be level funded. I look forward to working with our legislative delegation to secure funding to match town dollars spent on programs and projects that benefit town residents.

As a residential community with limited parcels set aside as open space, the town proposed and the residents approved the purchase of the Kycia Farm Property. This farm has been a family run farm for generations.

I am happy a committee has been created to hear input from the community on possible end uses of the

property. Getting a broad perspective and focusing on a beneficial use is key to the success of this town owned property.

A proud feather in our cap is what I have affectionately dubbed "Hollywood East". Wethersfield has hosted a number of movie production crews who have been attracted to our town for our quintessential New England charm.

In 2018, the Hallmark Channel filmed *Christmas on Honeysuckle Lane*. The town was abuzz of activity and excitement. This past summer, we again saw production crews in town. Lifetime's *Rediscovering Christmas* was filmed here and production crews are excited to come back.

These are great to have in town, and I don't think we need to have set crews and special effects to make the best of our town shine.

Wethersfield is home to many great traditions, such as:

- **Wethersfield's Heritage Weekend** – kicked off by our annual Memorial Day parade;
- **The Coveside Carnival** – a fall event supporting the Keane Foundation and all the work they do for the town; and
- My favorite, Wethersfield Chamber of Commerce's **Holidays on Main**, which features our own real-life movie set complete with a tree lighting, horse drawn wagon rides and a visit by Santa.

I look forward to 2020 and am proud to serve this town with countless other volunteers who aim to make Wethersfield even better. It is my hope that residents and businesses will remain engaged in our community. Together we will keep Wethersfield a great place to call home.

Michael Rell

We have also been working hard on some new and current initiatives, on improving the visibility of the towns businesses to residents. Here are some of the things that we did this past year:

Each year we produce the Town Guide and Calendar and we work closely with the Tourism Commission to include the beautiful photos supplied by the entrants in the Community Photo Contest.

Continued to further fund the Façade Improvement Program. To date, we have funded 40 projects and set aside over one million dollars for the program.

Continued to distribute our “Welcome Wagon” gift bag with coupons, gifts and special values from local business owners to over 100 new households this past year.

We welcomed a number of new businesses to Town with Ribbon Cuttings and Ground Breaking ceremonies.

Our search engine initiative www.wethersfieldct.gov/business-directory has been a great success and is a wonderful way for you to get information quickly and easily and support the local business community. Keep your money where you live and work. Shop, eat and hire local!

In November hosted the C-Pace breakfast at the Keeney Center to promote financial assistance for green energy initiatives.

In December hosted the 30th Annual Salute to Business which celebrates milestones of our local business community and community organizations.

Our Major project for 2019 was to reactivate the Redevelopment Agency. We have reached out to numerous property owners, developers and other interested parties to discuss the development opportunities available in Wethersfield....All to make Wethersfield the Place to Work, Live and Play!

The economic future for Wethersfield is very bright, and we have a lot of great things in store to make 2020 even brighter.

On behalf of the EDIC, have a Healthy and Prosperous New Year!

Mark Trahan
EDIC Chairman

Ribbon cuttings and groundbreakings are an important part of marketing and offers an opportunity to meet key leaders in the community. In 2019 we celebrated with: Wagtime Play and Stay, the Webb Deane Stevens Museum, 7-Eleven, Axe It, The Borden and 275 Ridge Road. The Wethersfield EDIC, in partnership with the Chamber of Commerce, would enjoy assisting you in planning a successful event. NEW STORMWATER PERMITTING REQUIREMENTS

Residents should be aware the Connecticut Department of Energy and Environmental Protection (DEEP) has issued new stormwater permitting requirements for municipal separate storm sewer systems (MS4s) that were effective July 1, 2017. New requirements require the Town to sample and test more stormwater outfalls than we have in the past, and based on results, implement measures to improve the quality of the water discharging to local brooks and streams that flow into the Connecticut River and ultimately into Long Island Sound.

Residents can review the MS4 Annual Reports at the Engineering Division Office located on the second floor of Town Hall or on the Engineering Division page of the Town website after February 15th of each year. Residents can and are encouraged to provide comments on the report prior to its April 1st filing date.

These are 11 things that **YOU** can do to prevent stormwater runoff pollution:

1. Never dump anything down storm drains
2. Direct downspouts (roof leaders) away from driveways and sidewalks and into surrounding pervious surfaces such as grass, mulch and landscaped areas
3. Pick up pet waste
4. Use fertilizers sparingly and remove it from driveways, sidewalk and roads after application
5. Avoid using pesticides
6. Vegetate bare spots in your yard to promote infiltration, uptake of rainfall and to minimize stormwater runoff
7. Inspect and pump your septic tank regularly
8. Compost your yard waste
9. Wash your car in grass or gravel areas to promote infiltration, or better yet, take it to a commercial car wash where water is treated and recycled
10. Regularly check your car for oil leaks and address problems as they arise
11. Report Illicit Discharges that you witness immediately to the Engineering Division at 860- 721- 2850 or derrick.gregor@wethersfieldct.gov.

Additional information regarding stormwater management and the Town's Stormwater Management Plan can be found at www.wethersfieldct.gov under the Engineering Division webpage.

Our mission is to represent our members through active involvement in issues, projects and services that will improve the economic environment and provide greater business opportunities.

Chamber memberships include monthly networking events such as Business After Hours and happy hours which are hosted by our business members and are a great way to network and connect with your peers in business. Members are listed on our website and have the opportunity to promote their business and special events on our weekly E-blast Newsletter. We invite business members to get involved! Become a board member and be a part of all the Wethersfield Chamber does for our business and community!

The Wethersfield Chamber of Commerce hosts many events in partnership with the Town of Wethersfield such as the State of the Town Breakfast, the Wethersfield Fireworks, Holidays on Main and the Wethersfield Cornfest. Each November the Chamber hosts a BBQ & Beer Night at the Barn to benefit the Fireworks. In the spring time the Chamber holds a "Best of Wethersfield" contest and honors the awardees at the Annual Dinner Meeting. In addition, the Wethersfield Chamber awards three scholarships to outstanding graduating Wethersfield seniors.

Join today and get involved with the Wethersfield Chamber of Commerce to increase your visibility and take advantage of the great opportunities to connect with your community!

The Town operates seven public schools. There is one high school, one middle school and five elementary schools. Administrative offices, under the direction of Superintendent Mr. Michael Emmett, are located in the Stillman Building/Board of Education at 127 Hartford Avenue, 860-571-8110. VISION STATEMENT

WETHERSFIELD BOARD OF EDUCATION

The Wethersfield Board of Education has created and adopted a vision for the Wethersfield Public Schools that focuses on three areas of central importance to us:

1. **HOW do we educate?** Wethersfield is inspiring our students to become innovative, contributing members of society after they graduate.
2. **WHAT kind of learners do we create?** Our learners are curious, creative, and confident. They know that their learning doesn't end within the walls of the school.
3. **WHY do we approach education the way we do?** The world and our place in it is changing at an unprecedented rate. We face new challenges that require new solutions and need new skills by which to approach these challenges.

- Downloadable music, magazines, audiobooks & ebooks
- Recorded books on CD
- DVDs
- Music CDs
- Online databases such as *Ancestry.com* that you can use on Library computers, or *Consumer Reports*, *Morningstar*, *Job-Now*, *Lynda.com*, *Mango Languages* and more that are available at the Library or from your home or office

REQUEST IT! RESERVE IT! RENEW IT!

- If what you want is checked out, we can reserve it for you, or you can reserve it online.
- If you need more time, you can renew it as long as nobody else is waiting for it.

- If we don't own it — just ask. We will try to get it for you.

REFUSE AND RECYCLING

AUTOMATED RUBBISH COLLECTION

The Town provides each residence with a heavy duty barrel on wheels that is easily rolled to the street. Only refuse contained in the barrel will be collected. A list of acceptable refuse items are listed on the following website: <https://wethersfieldct.gov/content/398/4594/4717.aspx>.

Residents have the option of leasing a second barrel for \$250 per fiscal year by contacting Paines, our refuse and recycling contractor, at 860-844-3003.

AUTOMATED RECYCLING COLLECTION

Single-stream recycling is here. All recycling items are to be placed in your recycling container provided by the Town. Only recyclables contained in the barrel will be collected. Recycled items include: glass jars, metal cans and aluminum foil products, milk and juice cartons, drink boxes, newspapers, magazines, junk mail, office paper, chipboard, corrugated cardboard, catalogs, magazines, shredded and office paper, newspapers and plastics (#1-#7). As of February 2013 additional recyclable items can be put in your 95 gallon barrel or brought to the Transfer Station. These items include some of the following: large toys, beverage carts, laundry baskets and telephone directories. The complete list is available on the Town's website. Residents may request a second recycling barrel, free of charge, if residents fill more than one recycling barrel every two weeks. Recyclable items may also be brought to the Transfer Station. Recycling is picked up every other week. The schedule is located on the Town's website, Paine's website www.painesinc.com or by calling Paines 860-844-3003. Routes start early, barrels should be out by 7:00 am.

FURNITURE & BULK ITEM FEES

Residents should call Paines (860-844-3003) to schedule a bulk item collection at their home. Paines charges a fee. Some examples of bulk items include: furniture and rugs. Also mattresses can be picked up by Paines for an additional fee.

APPLIANCES

For curbside pick-up of appliances (e.g. stove, refrigerator, freezer, air conditioner, hot water heater, dishwasher, washer, dryer) residents may purchase a White Goods Sticker at the Transfer Station. The pick-up of appliances are scheduled for Monday mornings at 7:00 a.m. State law requires that doors be removed from refrigerators and freezers before they are placed curbside. Residents may bring stoves, dishwashers, hot water heaters, washers and dryers to the Transfer Station at no charge. Appliances that contain Freon are charged \$10.

RECYCLING AT TRANSFER STATION

Residents may bring items to be recycled to the Transfer Station at 100 Marsh Street; Monday & Friday 9 AM to 2:45 PM and Saturday 8 AM to 3:45 PM. All items recycled at the curb may be brought to the Transfer Station. Please check the website at: www.wethersfieldct.gov for a complete list of additional items accepted free of charge and those requiring a fee.

The following donation containers are located at the Transfer Station and are accessible during open hours: **Clothing and Home Goods:** Charities of Hope, a non-profit organization, has a container for clothing, shoes and home goods. **Books:** Better World Books, a self-sustaining, for profit, social venture has a container for unwanted textbooks and library discards in support of non-profit literacy programs.

SIMPLE RECYCLING PROGRAM

The Town of Wethersfield has partnered with Simple Recycling in offering a voluntary recycling program for Wethersfield residents. The program is in addition to the current recycling program. Curbside collection of acceptable items in the supplied pink bags occurs on regular bi-weekly recycling pickup day. Recyclable items: men's, women's, and children's clothing; coats and jackets; jewelry; shoes; purses; hats; toys; blankets; drapes/curtains; pillows; sleeping bags; tools; silverware; dishes; pots/pans; and back-

packs. Please visit the Simple Recycling website for more information: www.simplerecycling.com.

HOLIDAY DELAYS

If a holiday falls during the week there will be a day delay in pick-up. Delays in curbside refuse collection typically include: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. The refuse/recycling company, Paines, has a motto of "when in doubt, put it out."

HAZARDOUS WASTE COLLECTION

The Metropolitan District (MDC) schedules an annual hazardous waste collection day for Wethersfield. Call 860-278-3809 or visit their website at www.themdc.com.

CHRISTMAS TREE DROP OFF

The Town does not pick up Christmas trees curbside. Residents can drop off Christmas trees at collection points in Town, including the Transfer Station.

CURBSIDE LEAF COLLECTION SCHEDULE

In the fall, during a published period of time, Town Employees will be collecting leaves. Residents should have their leaves raked to curb by the first day of collection in their area. Leaves should be raked in a long row about three feet high and placed on the snow shelf behind the curb, not in the street. Piles must be free of any foreign matter, such as large tree branches and stones. The Town will not make individual spot pickups of leaves. Residents who do not have their leaves raked to curbside by the time of collection in their area must compost them or take them to the Transfer Station at 100 Marsh Street.

The Town reserves the right to refuse loads which are not suited for disposal in the Transfer Station. Examples of refused loads include: large tree stumps, fill, stones and cement. The Transfer Station does not accept any hazardous materials. Additional information is found at www.wethersfieldct.gov.

SNOW REMOVAL

STREETS

It is the Town's responsibility (or the State's if a state highway i.e. Route 3 Maple Street) to clear snow from streets and make them passable for public use. First the Town opens the road, making one swipe down the middle from each side of the road. Once they've done this throughout the whole Town they then go back and widen the road. Residents shouldn't clear their driveway aprons until the roads have been widened or the aprons will fill in with heavy wet snow from the streets.

SIDEWALKS

It is the owners responsibility to clear the snow from the sidewalks within 24 hours after the snow or ice storm ends.

FIRE HYDRANTS

It is the owners responsibility to clear around the fire hydrant within 24 hours after the snow storm ends. The accumulation must be a minimum of four inches below the bottom of the lowest outlet on any fire hydrant. Snow must be cleared within a radius of three feet from the center of the hydrant, and a path three feet wide made to the street.

DRIVEWAYS

When you or your landscaper clears your driveway they cannot push the snow across the street and deposit it in front of your neighbors house. The Town must push back snow as far as it can. This practice can occasionally deposit large quantities of snow on the driveway apron. This can't be avoided. One thing residents can do to minimize the snow on their driveway apron is to pile shoveled snow to the right as you face the street. That way the shoveled snow will be carried down the street and not pushed back into the driveway.

MAILBOXES

In order to provide a fair and uniform resolution to disputes involving mailboxes damaged by Town snowplows and snowplows contracted by the Town to plow Town roads, the Wethersfield Town Council established the following policy concerning repair/replacement of damaged mailboxes:

- All mailboxes should be securely fastened to a sturdy post which is sufficiently anchored in the ground to resist the impact of plowed snow.
- In accordance with current postal guidelines, the mailbox should be at least nine (9) inches from the curb or edge of pavement in order to prevent contact by the snowplow itself. The height of the bottom of the mailbox should be between 42" and 48" from the road surface.
- If it is determined a mailbox was struck by a Town snowplow, the Town will reimburse the owner \$25 for the post and \$15 for the box. The Town will not repair or replace any mailbox.
- No mailbox or post will be considered for the damage reimbursement if the post shows dry rot or is otherwise unstable.
- The Town will reimburse the owner for damage to the mailbox and/or post only when the Town's snowplow is found to have made direct contact with the mailbox, not when the box is knocked over by snow or slush that is pushed by the plow.

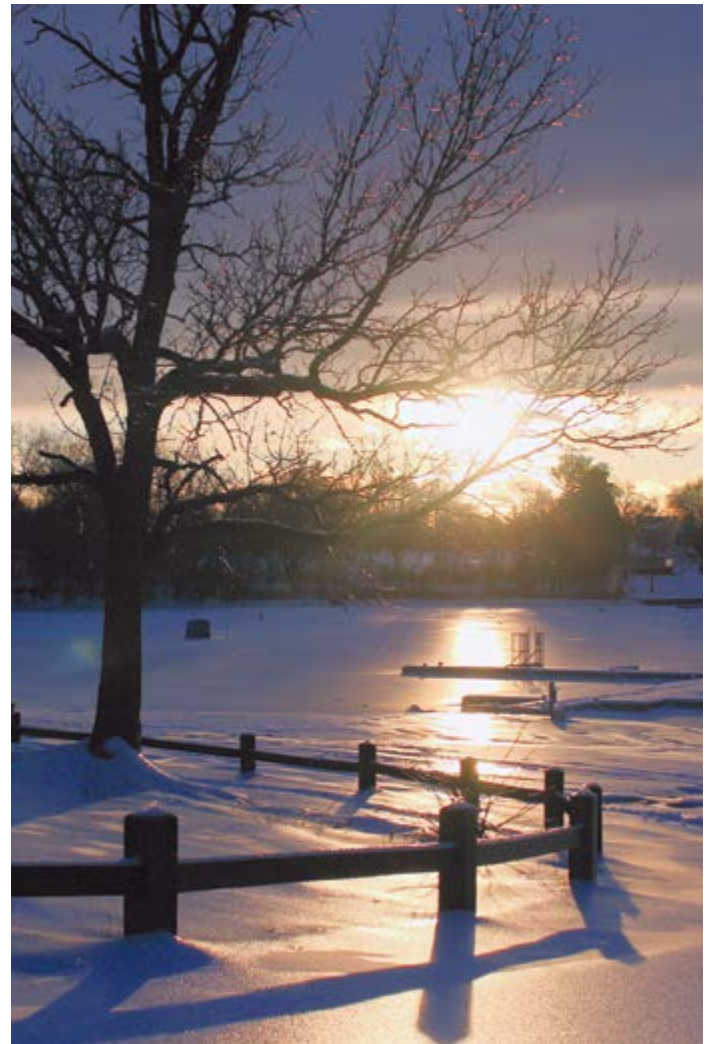

SAND

Sand is available for residents to use on their sidewalks and driveways. You can pick it up at two locations, the Transfer Station at 100 Marsh Street and beyond the tennis courts at Mill Woods Park. Sand is available at the Transfer Station (Monday, Friday and Saturday only) the beginning of November and in Mill Woods Park once we finish picking up leaves from curbside (normally, the beginning of December).

PUTTING SNOW ON THE STREET

Per Town Ordinance

"No person shall lay, throw, blow, place or plow or cause to be laid, thrown, blown, placed or plowed on or into any public street or way any snow or ice from any private property, public or private sidewalk or public right-of-way. If, in the removal of snow or ice from any such property, sidewalk or way, it is necessary to temporarily place snow or ice on any public street or way, such snow or ice shall immediately be removed from the public street or way by and at the expense of the person causing such deposit. The penalty for each violation shall be \$50 and each and every 24 hour period of failure or neglect to comply with the provisions of this section shall be deemed a separate offense or violation."

ZONING ENFORCEMENT PROPERTY MAINTENANCE

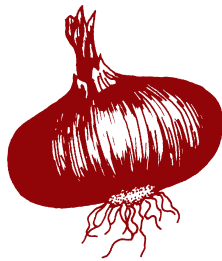

The Zoning Enforcement/Property Maintenance Officer is responsible for ensuring that properties in the Town of Wethersfield are maintained and kept in good order. Occasionally, issues arise on properties that residents and business owners may not know are violations of the Town Code and the Zoning Regulations. Below is a list of some of the most common violations that occur.

- **TALL GRASS AND WEEDS:** Grass and weeds (on all parts of the property, including the snow shelf and sidewalk areas, and in the rear yard) must be maintained to a height of eight inches or less.
- **TRAILERS, BOATS, AND RECREATIONAL VEHICLES:** The zoning regulations place limitations on the size and location of these types of vehicles.
- **COMMERCIAL VEHICLES** are only allowed to be kept on residential property in certain situations.
- **PARKING SURFACE:** Cars may only be parked in designated driveways. Parking is not allowed on grassed lawn areas or in snow shelf areas of the Town Right of Way. Cars parked in violation may be ticketed by the Police Department.
- **PLACEMENT OF ITEMS FOR DISPOSAL:** No solid waste or recyclables shall be placed or stored at the curb or within the Town Right of Way preceding the scheduled collection time by more than 48 hours. Call Paine's Recycling and Disposal Services to arrange collection of bulky items at 860-844-3000.
- **SIGNS IN THE TOWN/STATE RIGHT OF WAY:** Off-premise event signs may only be placed in the Right of Way by permission from the Town. Garage sale/tag sale/open house signs are only permitted in the Right of Way for a 3 day period of time, and must be removed upon conclusion of the sale.
- **HOME OCCUPATIONS:** Minor home occupations may be permitted with a zoning permit issued by the Zoning Enforcement Officer. Major home occupations may only be permitted with a Special Permit from the Planning and Zoning Commission.

If you have any questions regarding these violations or other issues, feel free to call the office of the Zoning Enforcement/Property Maintenance Officer at 860-721-2835, or email Charles.Morrison@wethersfieldct.gov
